

UPDATE—Registration/Dues/Activity Planning for May 2018 MMDA Meeting

The **Midwestern Medical Directors Association** has been a highly valued source for quality education and networking opportunities in insurance medicine. Our membership remains strong. We invite you to join or to renew your membership in **MMDA** so you may enjoy the fellowship, support and opportunities for educational and professional idea exchange that **MMDA** has to offer.

MMDA welcomes non-physicians as Affiliate Members as we encourage Medical Consultants, Risk Management Directors, Directors of Underwriting and Chief Underwriters to join and share in the benefits **MMDA** brings to our industry.

The 2017 Annual Meeting and Medical Conference hosted by **ExamOne** and Betsy Sears in Kansas City last May was a huge success and very well received by those who attended and presented at the conference. We want to thank our amazing presenters for an outstanding conference and our hosts and attendees for a wonderful time! Last year's sponsors included: **Allstate, APPS Para Medical Services, CRL, Exam One, Hannover Re, Munich Re, Mutual of Omaha, RGA Reinsurance Company, and SCOR RE**. Please thank them all for their generous support!

Mark your calendars for the May 10-11, 2018 conference which will be hosted by **RGA** and **The Longer Life Foundation** in St. Louis, Missouri. The conference will take place at **–The DoubleTree by Hilton Hotel St. Louis – Chesterfield**.

We will continue our traditional format of a Thursday evening social gathering with dinner, an excellent all-day scientific session on Friday, the MMDA business meeting during the session, and a Friday evening fun dinner to follow.

Our speakers this year will include four prominent local physicians from **Washington University** presenting: Inflammatory Bowel Disease, Minimally Invasive Cardiac Surgery, Myeloproliferative Neoplasms, and Alternative Trajectories of Aging. Additionally, two industry speakers will address: The Pediatric Brain, and Insurance Medicine from an International Perspective. Of course, we will also round it off with the well-known and beloved "Speaker's Corner".

Up to seven hours of Category 1 CME accreditation will be available through Amedco. Watch your email or visit: www.mmda1.com for more details and registration information—or use the attached registration forms—both for those who already paid their dues and also for those who still need to pay their dues.
