

UPDATE—Registration/Dues for May 2019 MMDA Meeting

The **Midwestern Medical Directors Association** has been a highly valued source for quality education and networking opportunities in the insurance medicine industry. Our membership remains strong. We invite you to join or to renew your membership in **MMDA** so you may enjoy the fellowship, support and opportunities for educational and professional idea exchange that **MMDA** offers year after year.

MMDA welcomes non-physicians as Affiliate Members as we encourage Medical Consultants, Risk Management Directors, Directors of Underwriting and Chief Underwriters to join and share in the benefits **MMDA** brings to our industry.

The 2018 Annual Meeting and Medical Conference hosted by **RGA** and Dave Rengechery in St. Louis last May was a huge success and very well received by those who attended and presented at the conference. We want to thank our amazing presenters for an outstanding conference and our hosts and attendees for a wonderful time! Last year's sponsors included: **Allstate, Clinical Reference Laboratory, Exam One, Hannover Re, Longer Life Foundation, Munich Re, Mutual of Omaha, RGA Reinsurance Company, and SCOR RE**. Please thank them all for their generous support!

Mark your calendars for the May 9-10, 2018 conference which will be hosted by **Prudential Financial Insurance Company** and **Swiss Re Insurance Company** in Minneapolis, Minnesota. The conference will take place at a downtown Minneapolis venue (details to follow soon.)

We will continue our traditional format of a Thursday evening social gathering with dinner, an excellent all-day scientific session on Friday, the MMDA business meeting during the session, and end with a Friday evening fun dinner at a local venue of interest (details to follow soon.)

Our speakers this year will include four prominent local physicians from **University of Minnesota** presenting on a myriad of relevant insurance medicine topics. Of course, we will also round it off with the well-known and beloved "Speaker's Corner".

Up to seven hours of Category 1 CME accreditation will be available through Amedco. Watch your email or visit www.mmda1.com for more details and registration information—or use the attached registration forms—both for those who already paid their dues and also for those who still need to pay their dues.

Details regarding hotel reservations to follow in January 2019.

Conference Contact: one of the three officers mentioned below

2019 Membership dues will remain as voted on and adjusted in 2016 at \$150.00 for the year for Active and Affiliate members. There is no cost for Emeritus members. **Remember that payment of the dues also pays for your entry into the 2019 meeting.**
